MAJOR STRUCTURAL CHANGE
APPROVAL REQUEST FORM

PURPOSE

The purpose of this form is to aid the Architectural Control Committee (ACC) in approving (or not approving) your major structural change as quickly as possible. The ACC is obligated by the covenants to make sure any major changes you make to your home/lot; whether it is painting, fencing, landscaping, etc. is in compliance with the covenants for the Applewood Heights development and to make sure that your project will maintain the general appearance and character of our community.

MAJOR PROJECTS REQUIRING ACC APPROVAL

For further information, refer to the Amended and Restated Covenants, Article I and Article II on the HOA's website ApplewoodHOA.com.

It is imperative that you do not purchase materials or engage a contractor until approval has been received. Be advised that the ACC may ask for additional information and samples before making a decision.
